## Skate Saskatoon Online Progress Reports

Skate Saskatoon has transitioned to online report cards for CanSkate. Below is a summary of how to view your skater's progress through both Achievements (CanSkate Ribbons and Badges) as well as Evaluations (which shows the skills completed and still required for CanSkate Ribbons and Badges). Evaluations are typically published at the end of a program. No Achievements or Evaluations will be visible until an assessment has been completed, which is typically near the end of a class. A video describing this process is also available on SkateSaskatoon.com
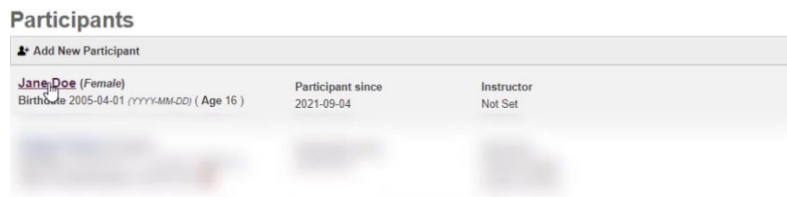

1. Login to your account on Skate Saskatoon.com
   a. Click your name in the upper right corner to see your profile.
